*Provided* that the mandatory eligibility requirements shall not apply to a student admitted on a special program seat pre-defined exclusively for a Federal Government program for foreign students under bilateral agreements with other countries. Such students shall also not be entitled to apply for a Full License to practice in Pakistan after having obtained their degree and will have to apply as foreign graduates subject to applicable licensing pathways.

(2) The general principle to be applied shall be that admissions to medical colleges should be concluded prior to admissions of dental colleges, and admissions to the public sector colleges are concluded prior to admissions to private colleges.

Public Medical Colleges	31 <sup>st</sup> December 2022
Private Medical Colleges	31 <sup>st</sup> January 2023
Public Dental Colleges	15 <sup>th</sup> February 2023
Private Dental Colleges	28 <sup>th</sup> February 2023

*Provided* that all medical & dental colleges shall display the status of total number of vacant seats on their official website by the 10<sup>th</sup> March 2023 and shall send the same to the Council. The vacant seats shall be filled on merit by 31<sup>st</sup> March 2023. The admission on vacant seats shall be done from students on merit in the waiting list and no transfer will be done in respect of students already granted admission.

4. **Admissions Process for Public Colleges.**-(1) Admissions to public colleges shall be conducted and completed by the respective government or public sector universities nominated by their respective provincial government.

(2) The government/admitting university shall formulate the merit and admission criteria for the public colleges as under:

MDCAT	50% weightage
F.Sc (Pre-Medical)/HSSC/Equivalent	40% weightage
SSC/Matriculation/Equivalent	10% weightage

(3) The government may create category of seats in the public colleges for purposes of admission in accordance with applicable law. No category shall be created which permits a student who has not qualified the MDCAT or be admitted in violation of the fundamental principle of merit as mandatorily applicable under Article 37(c) of the Constitution of the Islamic Republic of Pakistan, 1973.

(4) The final criteria for merit and admission including all category of seats shall be publicly announced by or before 1<sup>st</sup> August of each year. A copy of the criteria and categories shall be provided to the Authority by 1<sup>st</sup> August of each year.

(5) If any public scholarship or funded program requires seats to be allocated for its program in public colleges, the public authority responsible for such program shall seek and obtain the allocation of the required seats from the respective government or authority in respect of public colleges administered by them by or before 1<sup>st</sup> August of each year.

(6) The admission process shall be conducted through an online portal and in a transparent manner. The final merit lists and admission lists shall be provided to the Authority for purposes of review and record on the date of issuance of the merit list and admissions list.

(7) Admissions to medical and dental programs shall be conducted separately and each student shall be required to apply separately to a medical or dental program. A student having not applied to a given program shall not be entitled to admission to such program.

(8) The merit lists shall be made public not later than 15<sup>th</sup> December and admissions to public medical colleges shall be completed by or before 31<sup>st</sup> December of each year. Admissions to all special category seats in public medical colleges not being on open

merit shall be completed by 10th January of each year. The merit lists shall be made public not later than 10<sup>th</sup> February and admissions to public dental colleges shall be completed by or before 15<sup>th</sup> February of each year. Admissions to all special category seats in public dental colleges not being on open merit shall be completed by 28<sup>th</sup> February of each year.

(9) The final list of admitted students shall be made public by or before the applicable final date notified by the Authority pursuant to sub-regulation 2 of regulation 3. Thereafter, upon final verification by the relevant universities with whom the college is affiliated the verified list shall be submitted by the university to the Authority in the prescribed manner through PMC Online portal within thirty days of completion of the admission. No admission shall be entertained and no student shall be registered by the Authority if not admitted by or before the applicable final date.

(10) No public college shall admit any student beyond the total seats allocated by the Commission:

*Provided* that any students admitted on a special category seat pre-defined exclusively for a Federal Government program for foreign students under bilateral agreements with other countries who have not taken the MDCAT exam may be admitted over and above the allocated seats subject to such over and above admissions not being more than five percent of the total allocated seats of the college.

(11) Any allocated seat of a college which may remain vacant after the completion of admissions shall remain vacant. There will be no transfer in 1st Year MBBS/BDS.

(12) The admissions in public-sector medical and dental institutions shall be completed by displaying at least three consecutive merit lists by the concerned Admitting University. Institution-wise list of all the successful candidates shall be displayed on the website of the concerned Admitting University. In case of failure to deposit the prescribed admission fee within three working days of display of merit list on the website or notice board of the Admitting University and such candidates shall have no vested right of admission in that year. The vacant seats occurring on account of non-deposit of prescribed admission fee within the stipulated period by selected candidates in first or second merit list shall be allocated to candidates who are next in merit, by displaying the third merit list. The candidates may be upgraded to another institution in the subsequent merit list based on merit and preference and the fee deposited by upgraded candidates in the previous institution shall be transferred to new institution without any deduction.

5. **Admissions Process for Private Colleges.**-(1) Admissions to private colleges recognized by the Authority shall be conducted and completed by each of the private college or through the university of which the college is a constituent college, affiliated to or administered, subject to the terms of affiliation mandated by each university in respect of conduct of admissions.

(2) Each of the private college shall publicly issue the criteria and merit formulation as prescribed in the regulations for admissions as under:

MDCAT	50% weightage
F.Sc (Pre-Medical)/HSSC/Equivalent	40% weightage
SSC/Matriculation/Equivalent	10% weightage

(3) All colleges shall publicly prescribe tuition fee and all applicable fee and charges by 1<sup>st</sup> January of each year and make the same available on their college website and provide a copy to the Authority.

(4) There shall be no admission which violates the fundamental principle of merit and all admissions shall be strictly on merit as per the merit criteria announced by the college and pursuant to the fundamental principle of merit as mandatorily applicable under Article 37(c) of the Constitution of the Islamic Republic of Pakistan, 1973.

(5) The admission process shall be conducted through an online portal and in a transparent manner. Each college shall publicly open their admissions by 1<sup>st</sup> July of each year allowing students to submit their applications for admission to their choice of colleges.

(6) Each college shall submit the merit list of all students who have applied for the admissions within 3 days after the closing date of admission.

(7) Admissions to medical and dental programs shall be conducted separately and each student shall be required to apply separately to a medical or dental program. A student having not applied to a given program shall not be entitled to admission to such program.

(8) No college shall charge an application fee of more than Pakistan rupees one thousand (PKR 1000/-) from a student when applying for admission. Prospectus shall be placed on the official website of the college and no fee shall be charged under the head of prospectus charges.

(9) A student may apply to both public sector and private sector colleges.

(10) For admission to a private college no distinction shall be made in terms of merit and criteria between a Pakistani, overseas Pakistani or foreign student. No college shall deny admission to a student on account of them being a Pakistani, overseas Pakistani or foreign student.

(11) Each college shall issue a final merit list of all students on their official website taking into account results of MDCAT and other exam results as prescribed under these regulations.

(12) The final merit list shall represent an offer by the college to the students on the basis of their merit against the allocated seats of each college. Any student not accepting the offer shall enable the next student in the merit list to avail of the offer.

(13) The college shall give to the applicant at least three working days to submit their fee which shall represent the acceptance of the offer by the student.

(14) The admissions to private colleges shall be completed by or before the applicable final date notified by the Authority pursuant to sub-regulation 2 of regulation 3 each year. The final list of admitted students shall be submitted to the Authority in the prescribed manner through PMC Online Portal by each college by or before the applicable final date notified by the Authority pursuant to sub-regulation 2 of regulation 3. Thereafter, upon final verification of student credentials by the relevant universities with whom the college is affiliated the verified list shall be submitted by the university to the Authority in the prescribed manner through PMC Online portal within fifteen days of completion of the admission. No admission shall be entertained and no student registered by the Authority if not admitted by or before the final applicable date notified by the Authority pursuant to sub-regulation 2 of regulation 3.

(15) Any allocated seat of a college which may remain vacant after the completion of admissions shall remain vacant. There will be no transfer in 1st Year MBBS/BDS.

(16) A student when accepting admission to a college shall be under an obligation to disclose to the college if a prior admission has been accepted by them to any other college, and such student shall prior to accepting such latter admission must in writing inform the prior college of cancellation of their acceptance with a copy to the designated email of the Authority. Failure by a student to cancel the prior acceptance of admission shall render all admission offers of the student as void and the student shall be ineligible for admission. All colleges shall ensure that they properly apprise and educate the applicant students of this provision as part of their admissions policy, prospectus and at the time of making an offer of admission.

*Provided* colleges shall be granted a 3 working day window after the closure of applicable admissions to fill a seat remaining vacant due to a cancellation of the offer by a student through their respective waiting lists.

6. **Verification of Credentials by Affiliating University.**-(1) The affiliating university shall be responsible for verifying the credentials of a student admitted by a college including the students matriculation, HSSC or equivalent 12<sup>th</sup> grade qualification.

(2) The affiliating university after having verified the credentials shall register the students in its record and submit the final verified list of admitted students of each of its constituent or affiliated colleges to the Authority through PMC Online Portal in the prescribed format within fifteen days of the prescribed date for completion of admissions.

(3) The affiliating university shall be solely responsible for the verifications undertaken and its submission of the final verified list to the Authority shall represent a certificate of such verification. The university shall cancel any provisional admission where the credentials of a student are not verified.

7. **Registration of Admitted Student.**-(1) A student admitted to a medical or dental college and whose admission is verified by the affiliating university shall be registered by the Authority as a medical or dental student.

(2) The CNIC of the student shall represent the students' registration number and shall continue as the unique identification of the student throughout the period of the educational program and thereafter, for purposes of applying for licensing.

8. **Student Fees payable to Authority.**-(1) Every student admitted to a medical or dental college and registered with the Authority shall pay to the Authority annually a Student Fee as notified by the Authority, either directly or through its college:

*Provided* the Authority shall notify each year the Student Fee applicable to the students enrolled in the given year and such notified fee shall be applicable at the same rate to the student throughout their program and enrollment at the college.

(2) A registered student who either elects to leave the medical or dental program or is expelled from the college on account of failing to pass the professional exams or for any other reason shall have their Student Fee paid treated as forfeited and no refund shall be claimed.

9. **Payment and Charging of Fee by College.**-(1) The college shall prescribe the tuition fee for the entire duration of the program divided on an annual basis, which shall not be enhanced for the student during the entire duration the student remains in the program.

(2) Notwithstanding scholarships granted to a student, the college shall charge the notified fee from all Pakistani Students. The college may charge a higher fee from a Foreign Student.

(3) A college may require a student to obtain health insurance subject to the student having the option to acquire such insurance from its own sources or the insurance provider recommended by the college. No other insurance in terms of payment of fee shall be mandatorily imposed upon the student by a college. A college shall be at liberty to obtain any insurance to cover its risk of future fee/revenues without encumbering the student with the premium payable on any such insurance obtained by the college for its benefit.

(4) No student shall be required to provide any form of security for payment of fee by a college.

(5) A student who defaults in payment of tuition fee shall be liable to be expelled by the college subject to a reasonable period being granted to the student to remedy the defaulted fee. A college who expels a student on account of default in payment of tuition fee shall notify the Authority within one week and the student's registration with the Authority shall be cancelled permanently. A student expelled shall not be eligible to seek admission to any other medical or dental college for a period of one year.

(6) If a student after having obtained admission seeks to leave the program, the college shall have the right to adjust the tuition fee already paid pro rata to the period

spent by the student in the program along with a penalty not exceeding ten percent of the total annual fee.

(7) A detained student shall be charged tuition fee in proportion to the number of failed subjects of that professional examination.

**10. Review of Admissions Process by Authority.**-(1) The Authority may either on its own motion or upon a complaint review the admissions process of each college during and on completion of the process where such process shall be completed by the Authority within thirty days of the final date of admissions.

(2) If the Authority finds any irregular admission having been made by the college, the Authority shall have the right to cancel such admission subject to having granted both the college and the affected student a right to be heard.

(3) A student may submit a complaint to the Authority or the Medical Tribunal in respect of any irregular admission made or admission invalidly refused by a college. Such complaint if made to the Authority shall be heard and decided within fifteen days of the same being submitted after hearing both the complainant and the college.

### CHAPTER III CURRICULUM

**11. Curriculum of Undergraduate Programs.**-Each college and university shall strictly follow the curriculum for MBBS and BDS programs as formulated by the National Medical and Dental Academic Board and approved by the Medical and Dental Council in pursuance of the respective degree programs.

**12. Teaching Methodology.**-(1) Each university or college may formulate a syllabus based on the approved curriculum for the relevant MBBS or BDS program for purposes of teaching students at the college.

(2) A college may follow any teaching methodology as may be permissible by its affiliated university and subject to such methodology not being in conflict with any general teaching methodology structures prescribed by the National Medical and Dental Academic Board.

(3) All universities to whom medical or dental colleges are affiliated shall seek to as best as possible harmonize their programs over the duration of the program to ensure that students transferring from one college to another where both colleges are affiliated to different universities, are not at an unreasonable disadvantage in terms of the expected competencies required under the prescribed curriculum.

**13. Change in Curriculum.**-In the event that the National Medical and Dental Academic Board recommends any major change in the curriculum of a program, upon approval by the Medical and Dental Council, the altered curriculum shall be applicable to the students admitted in the next academic year after the altered curriculum is notified.

All previously admitted students shall follow the earlier curriculum, unless otherwise prescribed by the Board subject to a prescribed methodology to ensure existing students are able to fulfill the altered curriculum requirements if the same are substantially in addition to the previously applicable curriculum.
