

STUDENTS MEDICAL ELECTIVES POLICY

Pursuant to the directions of PM&DC, it is expedient to formulate “**Students Medical Electives Policy**” of **Pak Red Crescent Medical & Dental College** for its students to impart them with optimal knowledge, skill and attitude for achieving excellence in community professional service in general and patient care in particular. Hence, the following Students Medical Electives Policy has been approved by the Board of Governors (BOG) for the students of PRCM&DC w.e.f. 01-06-2023:

- 1.** A student, who is desirous of doing “Medical Electives”, should apply in the prescribed form and attach the necessary details mentioned therein.
- 2.** A student shall be allowed to do the “Medical Electives” only once in an academic year during the college vacations.
- 3.** Only those students shall be recommended for “Medical Electives”, who have secured at least 60% in all internal assessments and have 70% class attendance in the Current Academic Year.
- 4.** Only those students shall be given a recommendation letter for doing “Medical Electives”, who have paid up to - date all the college dues.
- 5.** A student applying for “Medical Electives” must bears a good moral conduct, certified by at least one professor of his/her examination subjects.
- 6.** The students should select the institution, wherefrom, he or she intends to undergo the “Medical Electives” in addition to getting an acceptance / offer letter from the concerned Institution before issuance of recommendation letter.
- 7.** The Student Affairs Department of PRCM&DC shall issue a recommendatory letter for “Medical Electives” addressed to the host Institution duly signed by Principal PRCM&DC.
- 8.** Students proceeding on “Medical Electives” shall not be entitled to any TA/DA or Stipend.
- 9.** A record of the students, recommended for doing “Medical Electives”, will be maintained by Student Affairs Department of PRCM&DC.
